- Responsive Design
- Command Line
- Mustache

EXPERIENCE

SALES OPERATION ADMIN

CLEARHEAD | APRIL 2017 - PRESENT

- Lead a project to get Hubspot to a usable CRM
- Helped to combine and organize the data
- Updated old data and incomplete data for a more accurate set

LOGISTICS ANALYST

AUTO 1 | JAN 2017 - MARCH 2017

- Helped organize the relocation of over 200 cars per week
- Updated reports with current inventory and vehicle locations
- Worked with insurance companies to file claims on stolen vehicles

SALES INTERN

HOMEAWAY | AUG 2016 - DEC 2016

- Made over 60 calls per day to new customers, existing customers, and past customers
- Specialized in value added services and winback sales
- Worked with a team to meet monthly sales goals
- Utilized Salesforce to log calls, sales, and accurately record customer updates

PERSONAL STYLIST

STITCH FIX | JULY 2014 - AUG 2016

- Design custom wardrobes for individual clients; selection based on client preferences, unique taste, body type, and historical trends
- Utilize an online database and CRM system to search for wardrobe selections and identify the best possible "fix"
- Maintain a high average order value and keep rate while working 20 hours per week
